

## Q & A with...

### **DON CIERZAN,** SENIOR ACCOUNT MANAGER

#### **HOW LONG HAVE YOU BEEN AT EAGLE AND WHAT DO YOU LIKE ABOUT WORKING THERE?**

Since 2005. The people make this a great place to work. I call it “Team Eagle”. Every department works well together, even when very busy. I like the focused, but friendly atmosphere.

#### **IF YOU WERE A PLASTIC, WHAT WOULD YOU BE?**

Teflon-PTFE. I can take the heat when things get a little crazy. Life is too short. I’ve learned to let the little things slide by with little resistance!

#### **WHO HAS INFLUENCED YOU IN YOUR CAREER?**

My Godfather. I worked on his charter fishing boat in my mid-teens. He taught me a lot about mechanics and people. He stressed hard work, complete the task to the best of your ability and always treat others with respect and it will come back to you.

#### **WHAT IS YOUR GREATEST ACHIEVEMENT?**

Hands down my children. Raising two girls can be challenging, but so rewarding. It was great watching them graduate college and start their journey as young women.

#### **WHAT ARE YOUR PASSIONS AND PREFERENCES?**

I enjoy any kind of outdoor activity. Biking, hiking and kayaking. I like to travel, domestic and abroad. Always fun seeing new things and meeting new people! I prefer to be near water, but I also enjoy the mountains.

#### **WHO IS YOUR FAVORITE BOSS?**

Jared Bailin. He’s always open to our ideas to better the company and make it an exciting place to work.

#### **WHAT ARE YOU MOST GRATEFUL FOR?**

My family and friends. It’s always nice to know they are there for you and to share in laughter.

#### **WHAT DO YOU APPRECIATE IN A CUSTOMER?**

When they are open to letting Eagle review their plastic needs and allow us to offer suggestions for material changes and cost savings. We like to view it as a partnership with our customers. Its’ a Win-Win!

#### **WHAT IS SOMETHING THAT NOT A LOT OF PEOPLE KNOW ABOUT YOU?**

I’m a certified car nut. Sports cars, muscle cars and classics. I enjoy car shows and going to Road America for the races. I also follow F1 racing closely and hope to go to a race in Monaco someday.
