

## Q & A with...

### **JODI RETTELA,** CUSTOMER ACCOUNT SPECIALIST

**HOW LONG HAVE YOU BEEN AT EAGLE AND WHAT DO YOU LIKE ABOUT WORKING THERE?**

Since 2011, I like that the job is different every day and that I am able to build relationships with my customers. I enjoy finding what works for them, getting them the components, and making them happy. Happy customers make for a great day. We have a lot of great days!

**IF YOU WERE A PLASTIC, WHAT WOULD YOU BE?**

PEEK. It's a quality plastic that has a good toughness and operates in the heat. Of course its more expensive, but totally worth it.

**WHAT IS YOUR GREATEST ACHIEVEMENT?**

Raising my family.

**WHAT DO YOU LIKE TO DO IN YOUR SPARE TIME?**

I like to move, especially in boats, motorcycles and snowmobiles. I love going on tropical vacations to enjoy the fun foods, the sun and all the laughter that come with relaxing.

**WHAT DO YOU APPRECIATE IN A CUSTOMER?**

COOPERATION. If we work together, we can figure things out.

**WHO HAS BEEN AN INSPIRATION TO YOU?**

My friend, Peter Morton. He was paralyzed in a mountain bike accident, but stood fate in the eye and moved forward to continue working, get married and raise a family - determination, will power and attitude at its finest!

**WHO IS YOUR FAVORITE BOSS?**

Jared Bailin.

**WHAT ARE YOU MOST GRATEFUL FOR?**

I am grateful for my health and my family.

**WHAT IS SOMETHING THAT NOT A LOT OF PEOPLE KNOW ABOUT YOU?**

My dad thought that a hearse was a great family car. So I used to get dropped off at school in a black hearse. I got teased about being in the Addams Family. It's hard to go cruising around in a hearse!
